RE: Request Authorization to Seek Proposals for Landfill Gas Utilization Study
Project No. LF11-1976.

Project will include a study of the landfill gas production and collection efficiency at the Rapid City Landfill. Study will identify beneficial uses for the gas produced, and will also include a cost benefit analysis for the identified uses. Study will make recommendations for the implementation of various landfill gas use projects. Successful firm will also provide training to staff to achieve the best management practice for the recommended utilization processes.

The project is funded from the Landfill Enterprise Fund Department 7102 Fund 615. Project budget is \$150,000 for this study.

Sincerely,

John Leahy
Landfill Supervisor
City of Rapid City
