Additional information/qualifications relevant for the committee or committees to which you are applying: I'm a born and raised Rapid City resident. I am very much interested in the history of our community and understanding how we have come to be who we are. As part of my streetcar project, I had to extensive research into our community's past to make a historical case for the system. That being said, I am very much focused on where we are going as community and the Journey Museum does play a part in that focus. Thank you for this opportunity.
