### MEMORANDUM

TO: Legal and Finance Committee  
Rapid City Council

FROM: Karen Bulman, Planner II

DATE: June 19, 2012

RE: Request for SDCL 1-19A-11.1 Final Determination relative to the proposed demolition of a garage located at 908 South Street located in the West Boulevard National Historic District

Attached please find a request submitted by Lynn Uhrig and Nicole Harvieux for a written determination, in accordance with State Statute, that all feasible and prudent alternatives to the proposed demolition of the garage on historic property have been pursued and all possible planning to minimize harm to the historic property has taken place.

Lynn Uhrig and Nicole Harvieux are the legal property owners of 908 South Street (legally described as Lot 28-29, Block 121, Original Town of Rapid City, Section 2, T1N, R7E, BHM, Rapid City, Pennington County, South Dakota). Mr. Uhrig submitted an 11.1 Historic Review request to demolish the garage located at the rear of the property. The subject property is located within the West Boulevard National Historic District. The building is classified as a "contributing structure".

On May 18, 2012, the Rapid City Historic Preservation Commission found that the request to demolish the garage would have an adverse effect on historic property. On May 22, 2012, the State Historical Preservation Office concurred and found that the request was an adverse effect on the Historic District. After reviewing the materials submitted by the applicant, the State is not requiring a case report.

The property owner is requesting that the City Council determine that all feasible and prudent alternatives to the proposed demolition of the garage have been pursued and that all possible planning to minimize harm to this historic property has occurred.
