Amber,

We would like to replace truck #340 (1988 Chevrolet C-70 Flatbed truck with 33,000 miles). The vehicle was purchased used from Water Reclamation some years ago. The vehicle has not been very functional for our use, thus it has low miles. The Street Department will take the vehicle for their use.

I have attached McKie's quote to match state bid for the purchase of this vehicle. Also attached are the maintenance records from the St. Dept. database. Please have Terry sign off on the vehicle purchase and place on the next Public Works agenda. Thanks Amber.

John
