Re: Request Authorization to Seek Proposals for West St. Cloud Street and Harmony Lane Street and Utilities Project 12-2047 / CIP Number 50712

This project is located in West St. Cloud Street and Harmony Lane.

The project includes reconstruction of the water mains, sewer mains, water service lines, sewer service lines, streets and drainage improvements.

The project is needed to replace the existing cast iron water mains and vitrified clay sewer mains which are in poor condition and have reached the end of their useful life.

Staff proposes to hire a Consultant Engineer to be responsible for designing the project, providing bidding services, and providing construction observation, administration, and project closeout.

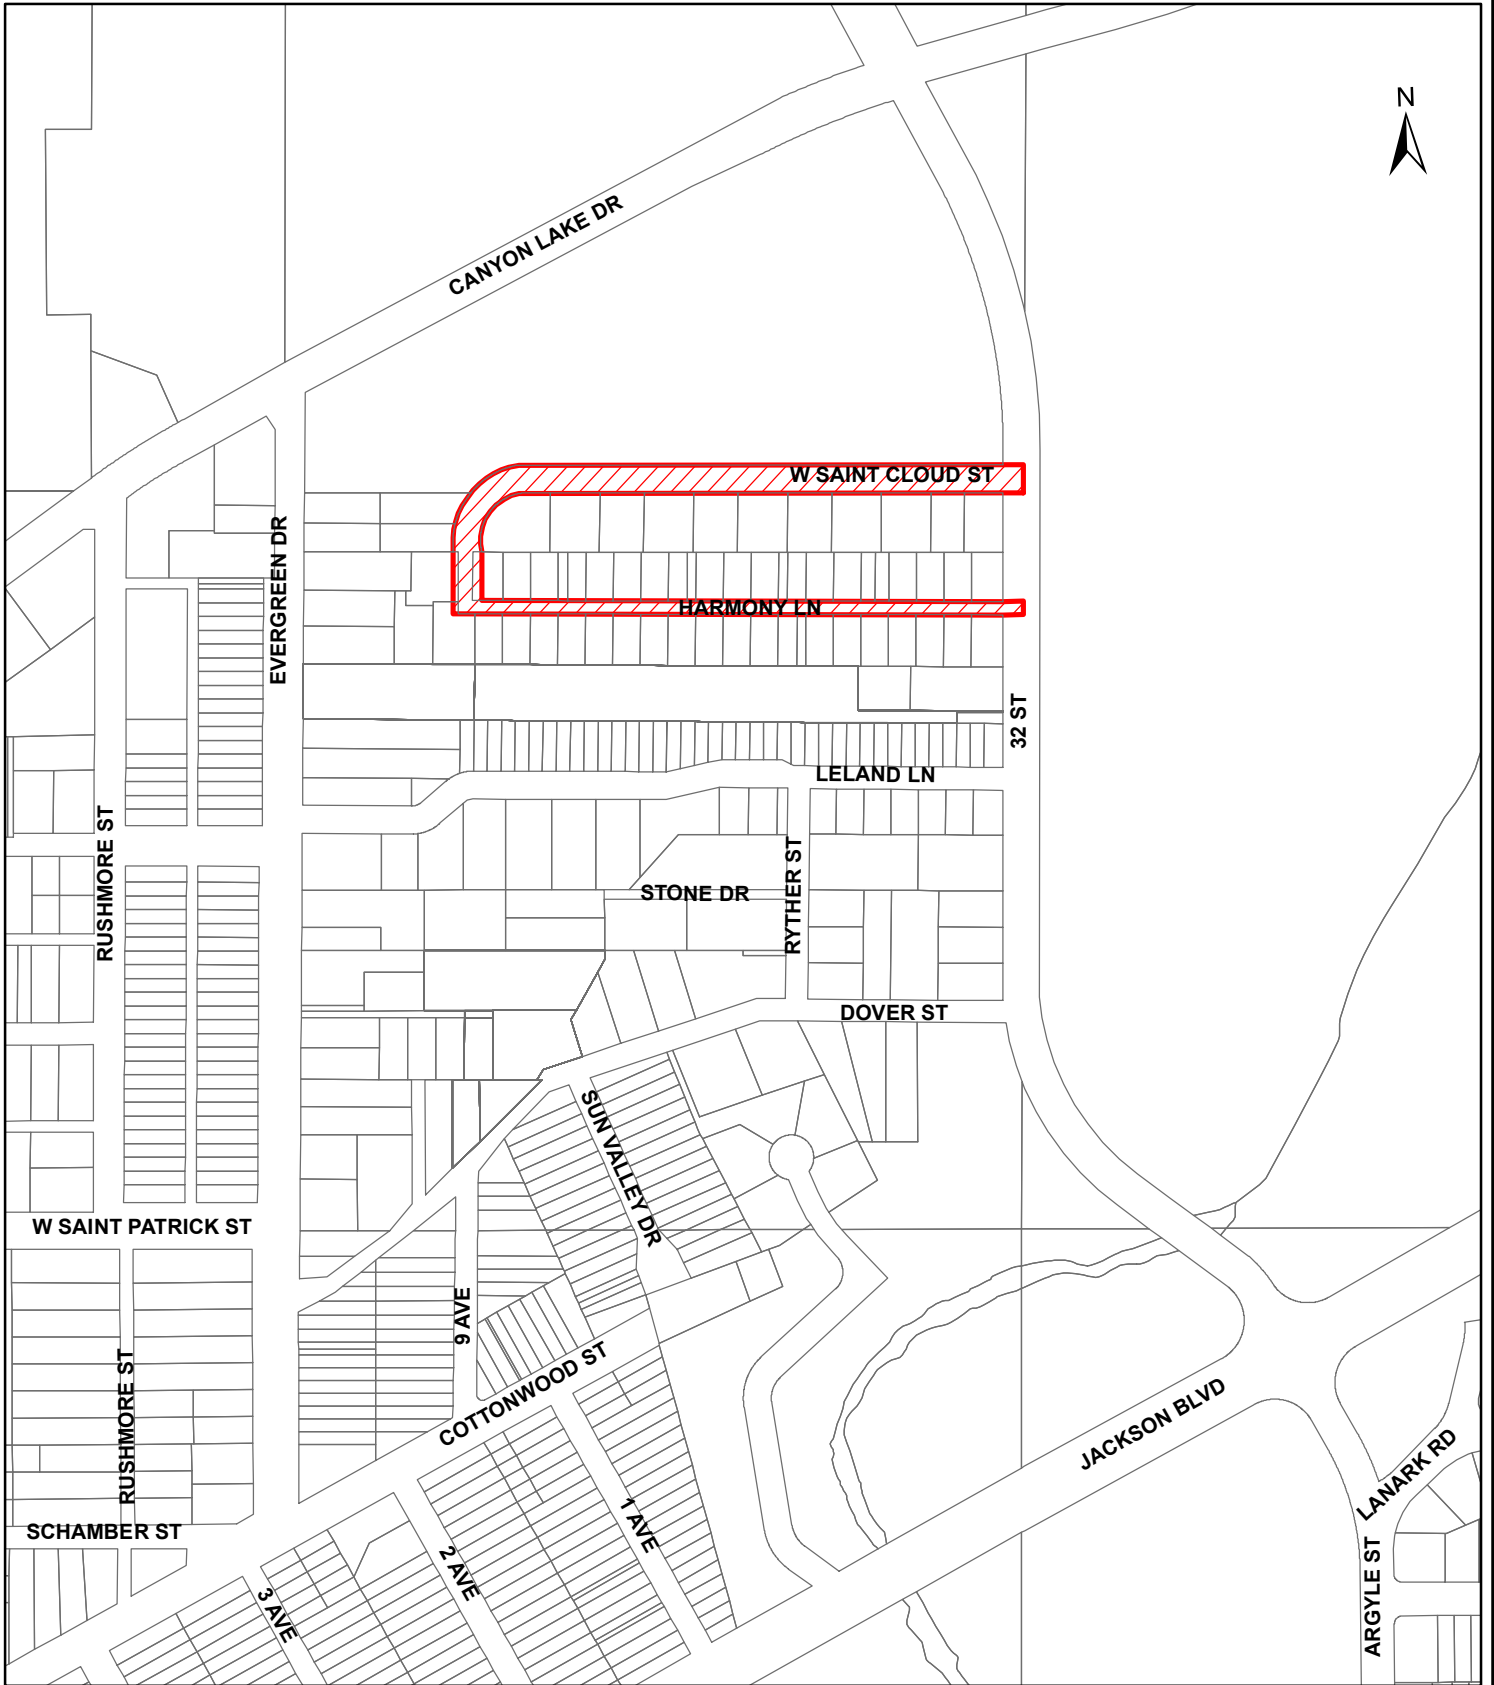

The project is funded from the Streets CIP Fund, the Water Enterprise Fund and the Sewer Enterprise Fund. The project is estimated to cost \$1,475,000 which includes design and construction costs.

Staff proposes to bid and construct Harmony Lane in 2013 and West St Cloud Street in 2014.

Dale Tech, PE/LS
City Engineer
