Subject: Government Buildings Funding Re-Allocation
Date: December 13, 2012

Jeri Taton
Administrative
Assistant
(605) 394-5225

The 2012 Government Buildings CIP line item includes \$100,000 for Shade Structures at Sioux Park and Parkview pools. Estimates indicate that the cost for these shade structures is approximately \$35,000.

Lon Van Deusen,
Parks & Cemetery
Manager
(605) 394-4175

In addition to the Shade Structures, we would like to request that the following projects be funded from the Government Buildings CIP Fund:

\$ 35,000 Replace HID High Bay Lighting at the Ice Arena
\$ 15,000 Replace Transformer at Rushmore Little League
\$ 24,000 On-Site, self-contained video surveillance systems
for Parkview and Sioux Park Pools
\$ 74,000 Total

Doug Lowe,
Recreation Manager
(605) 394-6161

Replacement of the lighting at the Ice Arena was identified in the Stanley Consultant Energy Efficiency Report and we anticipate an annual cost savings of \$3,200 as a result of this change.

The current transformer serving the Mayor Field for Rushmore Little League is in an unsafe condition. The new transformer and wiring will correct the unsafe condition, upgrade lighting to the playing field, and generate energy efficiencies.

The proposed surveillance systems for Parkview and Sioux Park swimming pools are self-contained units that will provide added security for these facilities.
