3. Scope of Audit

- a) An annual fiscal and compliance audit shall be made of the financial statements of all funds of the City of Rapid City for the year ended December 31, 2013, subject to authorization by the Auditor General. This will include all departments, agencies, boards, commissions and other organizations over which the City exercises oversight responsibility. Additionally the City was sponsor for various Federally-assisted programs, including but not limited to Community Development Block Grants, Airport Improvement Programs, and Transit Capital and Operating Grants. Ketel Thorstenson & Company has performed the audit for the Calendar Year 2012.

Should the City Council fail to make an appropriation for the cost of an annual audit in its annual appropriation ordinance, the audit contract would be null and void. In that event, a biennial audit period would apply the following year. The engagement letter must be reissued in that case, and the estimated audit fee may be adjusted.

The City has implemented the financial reporting model described in GASB Statement 34.
- c) The purpose of the audit is to issue an opinion on the General Purpose Financial Statements of the City of Rapid City, and report on its compliance with applicable legal requirements and its internal control structure in accordance with those standards and OMB Circular A-133.

By May 1, 2014 the City shall have closed and balanced all accounts and shall have prepared the following financial statements for all funds examined by the auditor. Financial statements will conform to requirements of GAAFR and to requirements of the South Dakota Department of Legislative Audit.

The City will furnish camera-ready copy of the financial statements, notes to the financial statements and statistical data. Financial statements presented shall include:

The Auditor shall express an unqualified opinion on the financial statements of all funds. If unable to express an unqualified opinion, the Auditor shall state the reasons for the disqualification or disclaimer of

opinion. Weaknesses noted in internal controls shall be first reviewed with the Finance Officer and Deputy Finance Officer and shall be included in a separate letter to management.
