City of Rapid City
Attn: Sharlene Mitchell
300 6th Street
Rapid City, SD 57701

Dear Sharlene:

Enclosed is an abatement that has *not* been recommended by the Department of Equalization. Please schedule the abatement for consideration by the Rapid City Council as soon as possible.

This abatement has been filled out by the taxpayer. The taxpayer did not fill out an abated valuation that they wanted but has circled refund of property taxes. There is no amount filled out anywhere that the taxpayer is asking for.

You may want to advise the applicant when the abatement will be heard before the council.

Per SDCL 10-18-7, failure to return the signed original of the abatement document within thirty (30) days of receipt will be considered as concurrence of the application.

If you have any questions, please give me a call.

Sincerely,

Lori Wessel
Deputy Auditor
