

Rapid City Police Department
Memo

TO: Chief of Police Karl Jegeris

FROM: Lieutenant Mark Eisenbraun

ME 395

DATE: 12/12/14

SUBJECT: Vehicle Purchase

Billion Auto in Rapid City has two 2014 Police Package Dodge Chargers available for purchase. These vehicles are equipped appropriately for our use and they are being offered at the state bid price of \$25,848 each. There are still a number of patrol vehicles in our fleet that are aging and in need of replacement.

I am requesting to purchase these two vehicles in early January with 2015 police department funds. The total cost will be \$51,696.
