Did you know light pollution can harm ecosystems of nocturnal animals?

[LEARN HOW](#)

Wildlife

Millions of migrating birds die each year from light pollution.

[LEARN HOW](#)

Quality of Life

Energy

Valuable resources are wasted every night
due to bad lighting.

LEARN MORE

Martin Morgan-Taylor

Overly bright light can mask intruders.

Martin Morgan-Taylor

With the light shielded, the intruder is easily seen.

Safety

Heritage

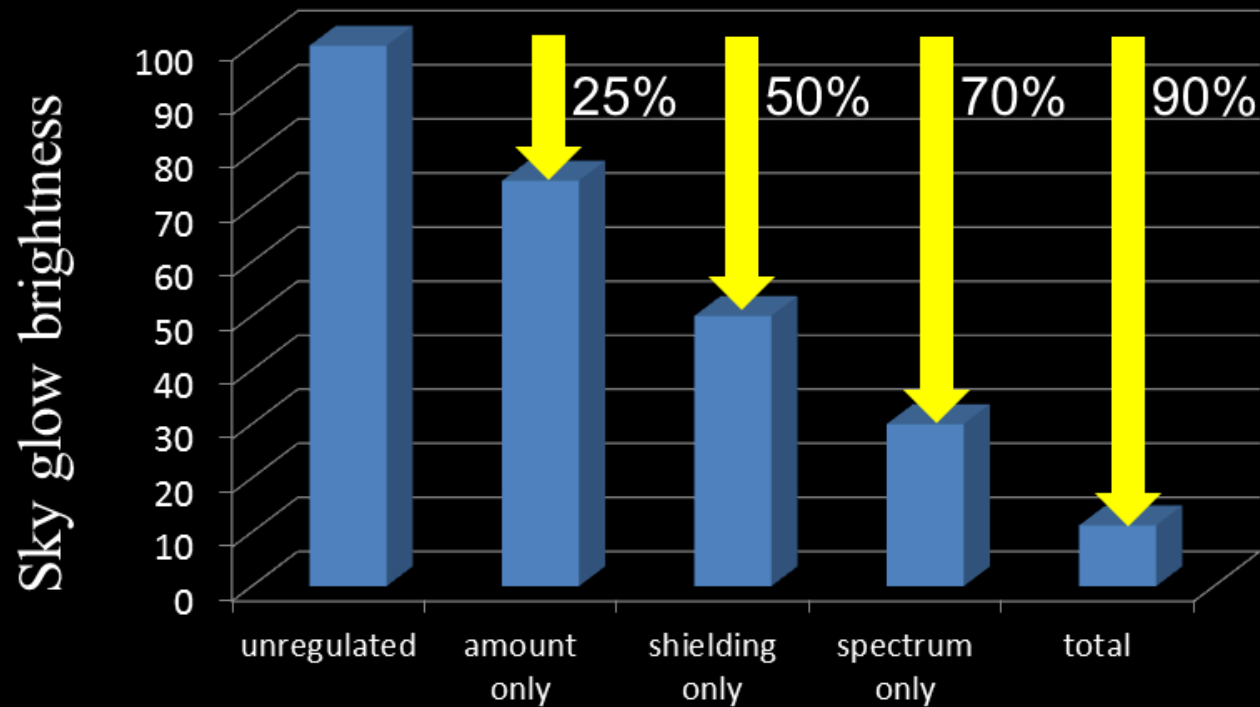

“For my part I know nothing with any certainty, but the sight of the stars makes me dream.” — Vincent van Gogh

Solutions

What can be gained?

Benefits of a lighting code
