Shawn –

Here (below) is text to respond to the letter we received from Terracon (which is scanned and attached). This is a good way to answer any of these first inquiry letters we get for communication towers.

Thank you!

START TEXT

Thank you for requesting our comment on the proposed project. Before we can provide an appropriate response we will need additional information from you including:

1. Project cultural resources inventory report(s);
2. Project ethnographic report(s) if any;
3. Project plan and profile drawings;
4. Any other information you have that will aid us in preparing our response and comments.

Sincerely,

To Whom It May Concern:

On behalf of Cellco Partnership and its controlled affiliates doing business as Verizon Wireless (Verizon Wireless), Terracon is writing to invite your comment on the effect of the above-referenced project on historic resources within the project Area of Potential Effects (APE) that are eligible for the National Register of Historic Places. We are requesting your review pursuant to Section 106 of the National Historic Preservation Act, the Advisory Council on Historic Preservation's regulation for compliance with Section 106, and the Nationwide Programmatic Agreement on the Collocation of Wireless Antennas (adopted March 16, 2001), and the Nationwide Programmatic Agreement effective March 7, 2005.

Field assessment for both historic properties and archaeological sites will be conducted and a determination will be made of the project's direct and indirect effects on eligible properties. Consulting parties are invited to provide information concerning historic or archaeological properties already listed in the National Register or that could be eligible for listing in the National Register.

If you would like to comment on this undertaking, please respond to this letter within 30 days of its receipt. Thank you for your response on this matter. If you have any questions concerning this letter, please do not hesitate to call me at (402) 330-2202. If you wish to respond by email, I may be reached at keziegler@terracon.com.

Sincerely,
