Historic Preservation 11.1 Review

Checklist for required information to be submitted with application:

Completed Historic Preservation 11.1 Review Application Form

Several color photographs of the existing structure that include:

- A street frontage photo
- Photos of all areas affected by the proposed project
- 3-5 photos of rot or decay of an element that is to be replaced or repaired

A site plan drawn to scale showing the existing structure(s) and the proposed project changes. The site plan should clearly create a graphic representation of the building footprint(s) and any other elements that are part of the request.

Elevation sketches drawn to scale showing the proposed changes. The elevation sketches should provide a view that shows each affected exterior wall as though you were looking straight at it, with any relevant changes represented.

A written description of the proposed project request that includes:

- Description of the materials to be used in the project
- Description of the materials to be replaced in the project (i.e. wood siding, masonite siding, cedar shakes, 4" reveal clapboard, dutch-lap, ship-lap, etc.)
- Whether this project is attempting to qualify for the State Tax Moratorium (*if you are not sure what this is, don't hesitate to ask!*)

Floor plan information drawn to scale and proposed changes **if interior work** is being requested. (Required for non-residential structures).

Document demonstrating feasible and prudent alternatives have been considered for the project, describing how all possible efforts have been made to minimize harm to the historic property.

Staff to provide:

- Aerial map of the property
- Historic Site Inventory Description (if applicable) *N/A*
- Elements of the structure(s) listed as contributing factors on the Historic Site Inventory
