

Minutes  
Historic Sign Review Committee  
January 23, 2009

MEMBERS PRESENT: Jim Jackson, Kyle Mattison, Kathy Didier, Lee Geiger

STAFF PRESENT: Karen Bulman

OTHERS PRESENT: Linda Johndreau, Jay Pond, Ona Hancock

Mattison called the meeting to order at 8:31 am.

505 7th Street – Wall Signs

**Jackson moved and Didier seconded to approve the wall sign at 505 7th Street.** In response to a question from Mattison, Johndreau reviewed the new name to be replaced on the sign. **The motion to approve the wall sign at 505 7th Street passed unanimously.**

Geiger entered the meeting.

1405 Mt. Rushmore Road – Three Wall Signs

**Jackson moved and Didier seconded to approve the three wall signs at 1405 Mt. Rushmore Road.** Pond described the three signs indicating that he is locating his business in the existing Rock Shop business. Pond stated that he is requesting to add three signs to the building. Jackson indicated that a background color to match the building would be a better presentation than the black and white signs. Pond indicated that he planned to use similar signs used by the Rock Shop to blend with the other signs, but revising the color would be acceptable to him. **With concurrence from the applicant, Jackson moved, Geiger seconded and passed unanimously amending the motion to add the sign color will match the house or trim and using dark brown lettering. The amended motion to approve the wall signs at 1405 Mt. Rushmore Road, with the sign color to match the house or trim using dark brown lettering, passed unanimously.**

518 6th Street – Pedestrian Signs

**Didier moved and Jackson seconded to approve the pedestrian sign at 518 Sixth Street.** Hancock stated that the pedestrian sign is for the business on the second floor. In response to a question from Jackson, Hancock stated that the sign is fastened to a bracket that is located on the brick column and replaces the copy on an existing sign. Hancock stated that the lettering will be dark green with gold accents for the two middle lines, and gold for the top and bottom lines. In response to a question by Mattison, Hancock indicated that she would be responsible for replacing the sign on the bracket. **The motion to approve the pedestrian sign at 518 Sixth Street passed unanimously.**

Minutes

**Jackson moved, Didier seconded, and passed unanimously to approve the minutes of the November 14, 2008 meeting.**

Other

Mattison stated that Barbara Schroeder at Global Market was interested in being on the Historic Sign Review Committee in March. Mattison gave her the information to submit a Citizen's Interest form to the Mayor's Office.

Geiger stated that his son is opening a gallery at the entrance to the Elks Building and will be coming forward for approval to have a sign on the window.

Sign Ordinance Review

Mattison and Jackson both stated a need to schedule a special meeting to discuss the sign ordinance. Mattison continued the Sign Ordinance review to the February 13, 2009 meeting.

Mattison adjourned the meeting at 8:58 am.
