MEMORANDUM

TO: Rapid City Planning Commission

FROM: Marcia Elkins, Growth Management Director

DATE: June 29, 2006

RE: **No. 06TP009 – Final Rapid City Bikeway/Walkway Plan**

Attached for your review and approval is a copy of the Final Rapid City Bikeway/Walkway Plan. The plan was updated with input from the Federal Highway Administration and the Rapid City Bike/Walk/Run Committee, comprised of staff from Growth Management, Public Works, and the Parks Department as well as interested members of the community. An updated Bikeway/Walkway Plan is an essential tool for guiding the construction of bicycle and pedestrian facilities and can be used to encourage intermodal transportation provisions in new areas of development.

The Draft Bikeway/Walkway Plan was approved by the Bike/Walk/Run Committee at the February 14, 2006 meeting. Proposed changes are identified in bold on Page 7. No other changes have been made to the document.

STAFF RECOMMENDATION: The Executive Policy Committee of the Rapid City Area Metropolitan Planning Organization recommends approval of the Final Rapid City Bikeway/Walkway Plan.
