RECOMMENDATION:

Staff recommends that the Rezoning from No Use District to General Agriculture District be approved.

GENERAL COMMENTS:

The City of Rapid City has submitted a request to rezone 1.5 acres from No Use District to General Agriculture District. The subject property is located west of North Elk Vale Road and north of Interstate 90. Currently the subject property is void of any structural development, and is zoned No Use District. Land located north of the subject property is zoned General Agricultural District by Pennington County. Land located south and east of the subject property is zoned Light Industrial District by Pennington County. Land located west of the subject property is zoned General Agricultural District. The subject property was annexed by The City of Rapid City on August 2, 2004 (#04AN007).

No. 07RZ037 - Rezoning from No Use District to General Agriculture District **ITEM**

STAFF REVIEW:

Staff has reviewed this proposed rezoning for conformance with the four criteria for review of zoning map amendments established in Section 17.54.040(D)(1). A summary of Staff findings are outlined below:

1. *The proposed amendments shall be necessary because of substantially changed or changing conditions of the area and districts affected or in the City in general.*

The subject property was annexed into the City on August 2, 2004 (#04AN007). All annexed lands are temporarily placed in a No Use Zoning District. The property is located west of North Elk Vale Road. The annexation of the property constitutes the changing conditions within this area.

2. *The proposed zoning is consistent with the intent and purposes of this ordinance.*

The General Agriculture District is intended to provide for land that is situated on the fringe of urban development that is used for agricultural purposes, but will be undergoing urbanization in the future. Currently there is no residential, commercial, or industrial use associated with the subject property. The subject property is void of any structural development. General Agriculture Zoning District will serve as a holding zone until urbanization is warranted and the appropriate change in district classification is made.

3. *The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.*

Development issues, including drainage, traffic, landscape buffers, and any other issues, will be addressed at the time development occurs. Staff has not identified any significant adverse affects that would result by rezoning the subject property from No Use District to General Agriculture District as a holding zone.

4. *The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street Plan, Land Use Plan, and Community Facilities Plan.*

The Long Range Comprehensive Plan identifies this area as appropriate for industrial land uses. As noted above the intent of the proposed rezoning to General Agriculture is to serve as a holding zone to allow the property owner to rezone the property to a more appropriate use in the future. The rezoning of the subject property from No Use District to General Agriculture District as a holding zone appears to be appropriate.
