DATE OF APPLICATION 3/28/2008

REVIEWED BY Jared Ball / Mary Bosworth

RECOMMENDATION:

Staff recommends that the Rezoning from Low Density Residential District to Office Commercial District be continued to the **June 5, 2008** Planning Commission meeting to allow the applicant to submit additional information.

GENERAL COMMENTS:

**(Update: May 13, 2008. All revised and/or added text is shown in bold.) This item was continued to the May 22, 2008 Planning Commission meeting. Not all of the additional information has been submitted. Staff recommends that this item be continued to the June 5, 2008 Planning Commission meeting.**

The applicant has submitted a request to rezone 1.191 acres from Low Density Residential District to Office Commercial District. This undeveloped property is located east of Jolly Lane, west of Sweetbriar Street and south of Homestead Street. The property to the north is currently zoned General Agricultural District. The property to the south is currently zoned Suburban Residential District in Pennington County. The property to the east is currently zoned Low Density Residential District. The property to the west is currently zoned Office Commercial District with a Planned Commercial Development.

An associated Comprehensive Plan Amendment (#08CA013) to change the Future Land Use designation from Low Density Residential to Office Commercial with a Planned Commercial Development and a Preliminary Plat (#08PL030) have been filed in conjunction with this request.

STAFF REVIEW:

On April 1, 2008, staff met with the applicant to discuss the proposed design and service boundaries of the sanitary sewer system for the development since the southern portion of the property is located within the Rapid Valley Sanitary District service area and the northern portion of the property is located within the City of Rapid City's service area. Staff is recommending that the Preliminary Plat be continued to the May 8, 2008 Planning Commission meeting with the applicant's concurrence to allow the service area issue to be addressed. Staff is also recommending that this item be continued to the May 8, 2008 Planning Commission meeting to allow it to be heard in conjunction with the associated Preliminary Plat.
