To Whom It May Concern:

Kiwanis-Mary Hall Park Committee proposes to place a pre-built storage shed in Kiwanis-Mary Hall Park. The shed will be approximately 8' x 12' in size and will be used to store a riding lawn mower and other equipment. The storage shed will be placed approximately 189' north of the south property line (West South Street) and approximately 37' east of the west property line (Shoop and Janss property lines). The storage shed will be placed well above the flood zone and will not cause possible problems. A favorable finding for this proposal will be greatly appreciated. Thank you!

Sincerely,
