

RE: Legal Non Conforming

To: The City of Rapid City,

Sliante, LLC is applying for a Legal Non-Conforming Permit to allow On-Site Sale of Liquor. The location is 510 9th Street, Rapid City, SD. The location was home to Murphy's Bar. The permit would allow liquor to be sold at that address in a Gastro Pub and Patio environment. We request that the City grant Sliante, LLC a conditional use permit for the new pub. The previous owners of Murphy's had served liquor for almost 20-years at the same address.

Sincerely,

Anthony Demaro
Applicant/Agent
