MEMORANDUM

TO: Mayor and City Council

FROM: Joe Jagodzinski, Engineering Project Manager

SUBJECT: Request to seek consultant services for 43rd Court Watermain Reconstruction; Project No. W05-1529

DATE: September 21, 2006

The City of Rapid City proposes to re-construct portions of 43rd Court and Circle Drive utilities and street. The work will include replacement of failing 6" cast iron water main and 6" clay tile sewer main with 8" PVC from the south side of the storm drainage channel south of West Main Street to the south end of the Cul-de-sac of 43rd Court. The project will include re-construction of the 6" cast iron water main on Circle Drive from the Hall Street intersection to the east to the intersection of 44th Street to the west and the 6" clay tile sewer main from the east side of the 43rd Court intersection to the 44th Street intersection. The project will also include limited replacement of curb and gutter along Circle Drive and 43rd Court, with an Asphalt Cement Concrete overlay throughout the project area. The project is scheduled for construction in 2007.

I hereby request permission to seek Consultant Services to accomplish the design portion of this work and to prepare design plans, design specifications and prepare an opinion of probable construction costs.

Respectfully,

Joe Jagodzinski, P.E.
Project Manager

EQUAL OPPORTUNITY EMPLOYER
