MEMORANDUM

From: Brad Solon, Building Official
To: Rapid City Planning Commission
Date: October 8, 2008
Subject: Road Name Change - Beale Street to Edwards Street

Original plans for the reconstruction of Exit 61 showed Beale Street eliminated between Lowry Lane and North Elk Vale Road. However, only a portion of Beale Street (between Lowry Lane to Edwards Street) has been eliminated. Recent changes to the South Dakota Department of Transportation plans for this area have allowed Beale Street to remain between Edwards Street and North Elk Vale Road. This configuration results in a single road segment having two names.

Due to the change in the roadway design, staff recommends that the portion of Beal Street between Edwards Street and North Elk Vale Road be renamed Edwards Street.

This proposal would require only one property owner to change their address.

Staff has received no objections from Emergency Services Communication Center, Rapid City Fire Department and the Police Department to this proposal.

RECOMMENDATION: Staff recommends that the portion of Beal Street between Edwards Street and North Elk Vale Road be renamed Edwards Street.
